

ESH Advanced Course 2012

Hotel Reine Victoria Saint Moritz

A refined palace, in late 19th century Swiss style, situated at St. Moritz Bad, near the lake and the elegant thermal spa. It is an ideal departure point for the snow: located at about 80 m from Signal cableway, you can easily reach the wonderful ski slopes of Corviglia (Piz Nair).

At the reception, you can also buy ski-passes, while in the ski-room you can hire skis, ski boots and snowboards (technical assistance and ski-waxing service available)

The hotel is composed of 188 rooms, all recently refurbished.

The hotel has a Spa, with hydro massage, sauna, Turkish bath, tropical rain and aromatic shower, relaxation area, aesthetical treatments, traditional body massages, shiatsu therapy.

The sporting heart of Switzerland

The facilities reflect the high standing of the locality: 55 ski lifts with 350km of skyways for all tastes and abilities, in addition to 150km dedicated to cross-country skiing; which is considered in these parts to be the king of winter sports. The dedicated circuits for cross-country skiers are of varying lengths and with views that never cease to amaze. The ski lifts for Corviglia and Piz Nair are only 80 metres from the Hotel.
